Leadership Day is a time when leaders, from our youth to our highest level, come together to celebrate the importance of strong, effective leadership, and meet with state-level leaders and organizations to share ideas and identify new and proven ways to improve leadership efforts in Georgia. It is also State 4-H Day at the Capitol.

Space is limited so we must receive your reservation form by Monday, January 30, 2012. Reservations are required and critical to insure we have an accurate headcount for the luncheon. There is not a fee for this function, but space is limited, so please register early to ensure your place at the event.

All members of the Georgia General Assembly, participants of community leadership programs and alumni of the Georgia Academy will receive an invitation to Leadership Day 2012. If you plan to participate in Leadership Day, we encourage you to contact your local legislators and reinforce this invitation by inviting them to join your community representatives.
